

Stubborn Mule Adventure Race 2011 - 12-Hr

Update #2

Start/Finish Location. Nine Mile County Forest, 8704 Red Bud Road, Wausau, WI. The 12-hr parking and transition area will be in western half of the north lot at Nine Mile (see aerial photo below).

Start Logistics.

Check-in will begin at 5:00 a.m. at the Nine Mile County Forest shelter.

- One team member: turn in a signed waiver for each team member and pick up race packet and goody bags. Waivers are available [online](#) for those who'd like to expedite the check-in process by printing and signing the forms prior to check-in (highly recommended).
- Gear drop. Each team will be allowed one drop bag for paddle gear. You may include extra supplies in this bag, however your gear drop bag and all dropped gear must be taken with you in the boat, so please plan accordingly. Paddles may be bundled separately and do not have to fit in your drop bag. Be sure to label your gear bundles with your team number (list below) and place at the gear drop location (refer to aerial photo above) prior to race start. For those borrowing paddles and pfd's from the canoe livery, your paddles and pfd's will be ready for you at the paddle put in.

The pre-race meeting will be held at 5:30 a.m. at the Nine Mile shelter. The race will start promptly at 6:00 a.m.

Bikes. Please mark the top of your bike's top tube with your team number.

Maps. The map scale for any UTM's you need to plot is 1:30,000.

Gear List. The [gear list](#) is final.

Camping: For those who signed up to camp, we have a special permit from Marathon County to camp in the north lot. If you are camping, please be sure to set up ONLY in this area. Friday night

campers are welcome to camp anywhere in the north lot. Saturday night campers might find the quietest camping in the western half of the lot (fewer disturbances from transitioning 30-hr teams).

Checkpoint Tracker (CPT). If your team is registered with CPT and would like to receive points for Stubborn Mule, please verify your team is [listed as confirmed](#) with CPT and make any changes/updates as needed. Please contact [us](#) no later than 6:00 p.m., Wednesday, July 13, if you make any changes related to CPT.

Teams. Please carefully review the following. If any information is not correct for your team, please contact [us](#) with corrections. If there is a dollar figure in any column for your team, it indicates a fee is due. Payment can be made [online](#) or at check-in (cash or check).

Tips and Suggestions:

You will be traveling near some local businesses where you may be able to resupply; consider bringing some cash with you.

Ticks have been out in full force. Consider wearing long pants in the woods and spraying your clothes with permethrin before the race.

It is going to be hot out there this weekend. Please be sure to have a water purification method in case you run out of water.

Partners. We are lucky to have generous support from Road ID, Brave Soldier, Injinji, Moosejaw, Berkeley Running Company, My Topo, 1st Basis Consulting, Eastbay, Amod, Teslin, Trek Bicycle Store – Madison, Stuffitts, Saris, Raw Revolution, Masterlock, and Hammer Nutrition. Expect some useful swag and generous prizes/raffle giveaways. Please consider these businesses when shopping for gear and supplies.

Hope you are all feeling STUBBORN! See you out there!
